Budo Giant Challenge 2019 Invitation Letter

Dear Shihan, Sensei and Senpai,

It is with great pleasure that we invite you to our sixth edition of the “semi-contact” and “full contact” Budo Giant Challenge, being held on October 26th, 2019, in conjunction with an international seminar given by Hanshi Daigo Oishi on October 27th, 2019.

Le Centre de Karaté Perez IKO Inc. is very proud to be organizing this tournament for all categories of students wishing to participate in semi-contact, semi-knockdown and/or “full contact”. This competition is open to children aged 4 and over, as well as women and men of all ages.

*** Please consult the following document for modifications made to the rules for kata and kumite semi-contact. *** **Please note: 1. There will be NO chest protectors at all, in any category 2. The competitor will be disqualified with NO reimbursement if there is too large a discrepancy between their registered weight and their weight on the day of the competition (5 pounds or more).*****

The competition begins in the morning with all categories for children 4 to 13 years of age. The first component will be kata, followed by semi-contact fighting. After lunch we will proceed with the categories 14 years and over for kata and kata elite, followed by semi-knockdown fighting (with equipment). There will also be a “Full Contact” category for participants aged 18 years and over.

This competition is being held in honour and in memory of the late **Shihan Jacques Sandulescu**. All information and registration documentation can be found on the web-site: www.budochallenge.ca

All registrations should be completed and submitted by or prior to October 11th, 2019 in order to allow us to align and complete all categories.

We look forward to welcoming you all in large numbers.

Osu!

Hugo A. Perez, Shihan (5^e Dan),
Director Budo Giant Challenge

Budo Giant Challenge 2019

Saturday October 26th, 2019, Howard S. Billings High School, 210 McLeod, Chateaugay, QC., J6J 2H4

General Information

*Deadline for registration submissions:

October 11th, 2019. Any registration received after this date will be rejected.

No on-site registrations will be accepted.

* Registration:

The Director of each dojo must register their dojo by clicking on the registration link provided on the site www.budochallenge.ca. This procedure will then give access to their students for online registration. Once each registration has been completed, the student, as well as the director of the dojo, will receive by email a confirmation of registration with all the relevant details. It is **imperative** and the responsibility of each **Director** (and individual) to then verify that all the information is correct and to contact the organizers if they find any discrepancies.

*****Please note that the weight recorded for each participant can be subject to a verification by the officials of the competition. In the event that there is a significant difference (5 pounds or more) between the weight registered and the measured-on site weigh-in, the participant can be disqualified without reimbursement. *****

*Registration fees:

*On October 26th, the director of each dojo must present themselves at the « Dojo Representatives Table » in order to finalize registration payments for all students registered. **Only one payment in cash funds per Dojo is accepted.** The volunteers will NOT be requesting registration payments from each participant.

One Single Payment Per Dojo Is Required.

*The registration fee for each challenge is \$45 per participant.

If a participant elects to enter a second challenge, there will be an additional fee of \$10.

For example: Kata + Combat = \$45 + \$10 = \$55.

This year, there will be no extra fees when registering in the “full contact” category.

If the participant registers for both “full contact” and “kata”, the fee will remain at \$45.00.

*All participants must confirm their age by presenting a valid Government issued proof of identity (with photo) upon registration. Example: Medicare card/Passport.

*A parent or legal guardian must sign the Registration forms for all and any participants who are 17 years of age or younger.

The participants registered for the elite kata and/or full contact must provide a photo in dogi.

***Categories and sub-categories:**

*All registered participants will be grouped in pre-established categories as per: age, belt level, sex and weight. Please consult the category table.

A minimum of 2 participants are required per category. Should only one participant be registered in a given category, this participant will be re-classified or reimbursed. Should a large number of participants be registered in the same category, this category will then be sub-divided into two or more sub-categories (management reserves the right to combine categories accordingly).

***Instructions for “full contact/one match” fighting participants:**

- Weigh-ins are obligatory for all “full contact/one match” fighters. They must present themselves on competition day at 12:00 pm (before lunch) for their weigh-in, in order to complete their registration.
- For fairness and security, please ensure that the weight stated on all forms at registration is as accurate as possible for all participants registered for fighting.
- Please note that a discrepancy (3 kg or more) in the weight of a participant on the day of the tournament compared to what was previously indicated on their registration form will automatically invoke a **genten ichi** penalty to the participant at fault. The participant will start the fight with a **genten ichi**.

***Instructions for “semi contact and semi knockdown” fighting participants:**

- The “semi-contact/semi-knockdown” fighting participants must be weighed by their dojo management in order for each participant to be correctly placed in their appropriate weight category.
- The participants who are registered in the “semi-contact” and “semi-knockdown” fighting competition should be equipped with proper protective gear that complies with the regulations (helmet, shin and feet guards, gloves). Mouth guards and jockstraps are optional but are highly recommended.

****** NO chest protectors for all categories******

****** Disqualification with NO reimbursement, if there is too large a discrepancy between the registered weight and the weight on the day of the competition (5 pounds or more) ******

***Entrance fees for spectators:**

13 years and over: \$10 6-12 years: \$5 5 years and under: free

***Snack Bar:**

Drinks, snacks and healthy meals will be available on site during the tournament.

*The competition will be held at Howard S. Billings High School, 210 McLeod, Chateaugay, QC, J6J 2H4

*Thank you in advance for your cooperation. For any additional information, please contact Hugo A. Perez Shihan at 450-691-5370 or through the website www.budochallenge.ca or budochallenge@gmail.com .

Coaches

We are pleased to welcome the directors and their coaches (if applicable), free of charge, from each participating dojo. The ratio established for participating coaches is one coach per **five (5) registered participants (maximum of 3 coaches per dojo)**.

All coaches must, in addition, pay the entrance fees for their spectators wishing to access the gym.

Coaches will receive a pass allowing them access to the competition area. The number of coaches within the competition area will be limited so as not to obstruct the work of the referees and volunteers. This measure also ensures a better viewing for the audience.

Dojo Representatives

- * Upon arrival, the head of each dojo must present themselves to the "Dojo Official's Table."
- * Each Dojo head will receive their access passes, the list of events for their students and all other relevant documents (if applicable).
- * Each dojo head must report any student absences (if applicable).
- * Each dojo head will receive their coaches access passes. These must be visible in order to enter the competition area.
- * Each dojo head must pay the registration fees for their students.
- * The Referee Director will meet with all directors and coaches prior to the beginning of the competition.
- * The trophy presentations for each category will take place once each event has been completed.
- * **A designated area will be assigned for the taking of official photos.**

Coaches

Coaches nominated by their dojo heads will be in charge of their students during the competition. Their main responsibilities will be:

- * Ensure that their students arrive promptly to the designated table area announced by the host.
- * Ensure that students participating in the competition are equipped properly and remain near the area throughout the duration of the event.
- * Ensure that students behave in a courteous manner and demonstrate good sportsmanship.
- * Ensure that parents and friends of students remain outside the competition area.
- * **Only one coach per competitor will be allowed at the fighting area, otherwise the fighter may be disqualified.**

Kata Evaluation System

1. The 2019 BUDO GIANT CHALLENGE is open to all traditional styles of karate.
2. All participants must wear their complete Dogi (NO t-shirts)
3. Kata categories are defined in accordance to the age and belt levels (kyu) of the participants.
4. A team of judges is comprised of 3 or 5 judges, which includes the Head Judge who is responsible for the competition.
5. Each participant will present themselves to the judges and announce the kata that he/she will perform. It is not required to announce which kata has been selected prior to the competition.
6. All participants must perform a **traditional** kata. A traditional kata is a sequence of traditional karate techniques that are taught and performed by all members of an organization. It is a required element for a belt promotion tests. It is NOT a kata which has been adapted or changed for a specific skill level, individual, or dojo in an organization.
7. Each participant will receive a mark, ranging between 5 and 10, from each judge. The total of the 5 marks given will be used to rank the participant within his category.
8. If a participant chooses to perform a non-traditional kata, he will be disqualified, receiving the lowest mark of 5 from each judge.
9. Traditional katas vary from one style to another. Each participant will be judged on the following criteria:
 - Basic positions
 - Kicking techniques
 - Punching, blocking and shuto techniques
 - Balance and fluidity
 - Attitude and intensity
 - Speed and control
 - Degree of difficulty of the kata
 - Kiai
10. Judges also consider the consistency in the execution of techniques. If a participant performs the same technique repeatedly in his kata and it appears different each time, he/she will be penalized.
11. In order for the judges to establish a baseline to evaluate the katas, the three first participants of a category will execute their kata, one after the other, each without receiving any marks from the judges. Once all three have finished, they will then return in front of the judges and receive their mark. The remaining participants will then perform their katas, and get their marks immediately after their performance.

12. Each participants performance is evaluated and compared to the other participants in their category.
13. In case of a tie, for the 1st, 2nd or 3rd position in the category, the chief judge will ask the tied participants to repeat their kata as to determine their ranking and establish a winner.
14. Participants from 4th kyu to shodan must be prepared to perform two different katas of their choice. Their first chosen kata will be executed but the second kata will only be performed in the case of a tie. If a participant chooses to perform the same kata twice, a penalty deduction of .5 points will be given by each judge.

ELITE KATAS (BROWN AND BLACK BELTS):

1. For Brown and Black Belts, the evaluation system in force at the 2019 BUDO GIANT CHALLENGE is one frequently used in Japan. It is a system of elimination similarly used for fighting competitions.
2. Two participants will perform their kata individually and the participating judges then decide who proceeds to the next round by way of a flag system; aka (red) or shiro (white). In order to continue to be ranked in the specific category, the participant must perform their kata more than once.
